

# ONE TRACK TRAINERS

1. What have I got for you?
2. What will it do for you?
3. How do you gain access?

## **1. What have I got for you?**

The system itself is a collection of 16 racing trainers who excel when only sending ONE horse to the race track.

This is an angle that widely ignored by the betting public and it is something that we can exploit.

Those of you who decide to join will get 12 months access to a private members' area.

Within this members' area you will find the system manual. You can read this as much as you like and it will be yours to keep for as long as you wish to use it.

I also want to make this experience as enjoyable and engaging as possible and as such I will be posting selections for you. You will not have to find them yourself. These selections will be posted every evening before the next day's racing and you will be able to place bets at a time that suits you.

I will also use this members' area to offer exclusive bonuses throughout the year including more micro systems and I will of course post the selections from these also.

Finally I will write regular updates on progress and update results every week.

So, that is the One Track Trainers package.

12 months access to an exclusive members' area where I will be with you every step of the way to make sure it is a very profitable year for us all.

### **\*\*\* Performance Update\*\*\***

November has started superbly for the system and my trainers.

The form for the month so far reads: WON (9/1), WON (Dead Heat 5/1), 2<sup>nd</sup> (12/1), Unplaced, Unplaced, 3<sup>rd</sup> (6/1), WON (6/1) = **+13 points** win only bets.

## 2. What will it do for you?

One Track Trainers is quite simply a winner getting method.

It allows you to back winners regularly without having to do any form study.

This group of 16 Trainers have been responsible for the following results since the beginning of 2010:-

	Bets	Wins	Win %	P/L (BFSP)	ROI %
ALL	2914	800	27%	<b>1687</b>	57
2014	507	132	26%	<b>264</b>	41
2013	668	191	29%	<b>349</b>	57
2012	614	157	26%	<b>292</b>	52
2011	626	183	29%	<b>436</b>	68
2010	499	137	27%	<b>346</b>	68

To £10 level stakes that is a massive **£16 874.70** since the start of 2010.

Averaging **£3558.80** a year to £10 stakes at BFSP.

Even if you just like to bet with £3 stakes that is **£1,066.74** a year.

Much bigger returns are possible taking earlier prices – in fact in 2014 alone you could have made an extra 103 points above BFSP. Suddenly 264 points becomes 367.

The **27.45%** win strike rate means you will be backing winners regularly – on average just over 1 in every 4 bets you place is a winner.

Collectively the trainers have a win and place strike rate of **50.54%** meaning you can back every horse with confidence knowing it has a greater than 1 in 2 chance of making the frame.

As I have said before, and I will re-emphasise again, when this elite group of trainers only send one horse to the race track they mean business. They are not there to mess around. They have gone there fully intent on winning some prize money.

### Regular Winners and Substantial Profits

One Track Trainers allows you to back winners regularly and to make substantial profits and these 16 trainers will reward those who stick with them over the next 12 months.

### 3. How do you gain access?

One Track Trainers goes live at **MIDDAY, Thursday 6<sup>th</sup> November.**

I and a few others no doubt, will send you an email at Midday tomorrow letting you know that the offer is live. All you have to do is go to [www.onetracktrainers.com](http://www.onetracktrainers.com) and sign up.

Following payment you will gain immediate access to the members' area and you will be emailed your log in details.

Now obviously you want to know how much this is going to cost.

I have thought long and hard about how much to ask for this package.

Bearing in mind it has averaged over 355 points profit a year to level stakes at BFSP and I will make finding selections as easy as possible by posting them in the members' area I think I could have charged say £197 for 12 months access.

There are some decent services out there that charge £20 to £30 a month and I believe what I am offering is comparable with those.

However, I want to make One Track Trainers accessible to all those who want to join.

As such, 12 months access to the private members' area and the system manual for you to keep forever will cost you a one off, single payment of...

#### **£97 (+VAT)**

For the package that I have assembled for you I think that investment is reasonable.

It works out at less than 35p per day, or £9.70 a month.

Moreover you're covered by my 60 day, no questions asked, money back guarantee. (via ClickBank)

So, you can try this out for 60 days and not risk a single penny. You can paper trade if you prefer to see how the system performs.

#### **Limited Spaces Available**

The final thing for me to say is that only 200 spaces will be made available, so if you think this is for you, don't hesitate in signing up.

Once they are gone they are gone and I will be putting the sold signs up. I fully expect that this will not come on sale again for another 12 months.

I am really excited about welcoming on board those who are serious about making profit from their racing and who want to have lots of fun along the way.

This opportunity is open for all punters, however much money you like betting with, whether it be £2 or £20 stakes or something in between.

It promises to be a great 12 months and I can't wait to see you on the inside.

So, do check you emails from Midday tomorrow and head over to [www.onetracktrainers.com](http://www.onetracktrainers.com) .

If you have any questions there is a Frequently Asked Questions document below this video.

Please consult this first and if it doesn't answer your questions then of course send me an email at my support address... [support@onetracktrainers.com](mailto:support@onetracktrainers.com)

Thanks for checking out this final video,

This is Josh saying bye for now and see you tomorrow inside the members' area.
